This winter a large Penc tree came down on fence at East Weare Cemetery. The tree was cleaned up by Carl and Highway Dept. Thank you Carl. Don Burke will replace the fence. Thanks Don.

Don Burke said that the inmates will be doing work at cemeteries the week of June 16.

Lonnie Bean is making new iron hinges for new gate at Collins Cemetery. Thanks Lonnie.

We will be able to do Oil Mill Cemetery on River Road. Carl and the Highway Dept. will dig out front of cemetery, set in large cement blocks to reset antique granite on. Andy Spielberger will be setting all antique granite in place. The grade will be set up 2 feet and the stones on the front will be reset. Carl will also put in two catch basins and large culverts to direct water from old cemetery. Thanks Carl.

Judy Rogers read us a letter from Bobby and Angela Diener, 84 Bart Clough Road, in Weare requesting us to buy back two lots that were purchased in 1996 for \$300.00 as they only need 2 lots from this 4 person lot. The lot number is J27 at Johnson Cemetery. Don Burke made motion to do this and seconded by Rob Gordon. All agreed.

Meeting adjourned @6:07 pm

Respectfully submitted,

Janet Brown
